## CAMPUS POLICE

Meet Ryan Tucker, the newest Cadet in the College of Marin Campus Police Department.

A native of Marin County and a freshman majoring in Political Science, Ryan is, and always has been, dedicated to community service and wanting to help those around him. His studies focus on the facets of governance, while his karate practice reflects his commitment to discipline and respect.

These qualities make him a well-rounded asset to campus safety. As he begins his journey as a Cadet, Ryan is poised to be an asset to community service and brings a blend of academic, physical, and cultural intelligence to the College of Marin Campus Police Department.

## Measure B Projects

### Learning Resources Center

Increment one of construction will be wrapping up in the next month. Increment two will officially begin on the heels of the completion of Increment one. A successful groundbreaking was held on August 30<sup>th</sup>.

### Bolinas Field Station

A community meeting will be/was held on September 21 via zoom to review critical elements of the project such as site logics, hours of operation, and large deliveries to name a few.

## INFORMATION TECHNOLOGY

The IT Department has recently improved the COM Wifi onboarding process. Now, our users no longer have to install an application on their mobile devices; rather, they will be offered a dedicated password connecting their devices with the COM-WIFI. The experience is smooth and very simple. If you are currently having trouble connecting, please go to the following link and follow the prompt.

## Maintenance & Operations

**Maintenance & Operations staff, McInnis Park**

The week of September 11<sup>th</sup> through September 15<sup>th</sup> was custodial appreciation week. Each day of the week, COM staff and managers have been recognizing the hard work of our custodial team to show how thankful we are for them. Management provided them with snacks, coffee, pizza and other treats.

To end the week, we all headed to McInnis park in San Rafael to enjoy some miniature golf and lunch. Many of the team had never played any form of golf, but with a few quick instructions from those who had, they were off and running. One group did not wish to compete, so chose to play the holes that they really enjoyed more than once while the other groups played through. Lots of laughs were had and shouts could be heard when an exceptional shot was made.

After everyone was done playing, Custodial Supervisor Karol Dailey gave prizes to the lowest three scorers and then held a raffle for the rest of the staff.

## College Services

Great news! Once again, College Services is proud to announce that Shook Chung has won an Award of Excellence from the University and College Design Association for the Special Publication insert for the Marin IJ! This is under the category of In-house Print and was part of a contest evaluating 733 entries, awarding 146 awards—12 Gold Awards, 21 Silver Awards and 113 Awards of Excellence. Shook has won multiple awards for her design pieces, and we are so excited she is being recognized yet again for her enormous talent and skill. The piece will be featured in the UCDA Design Awards presentation in October at the annual conference in Atlanta, Georgia. Shook also won an Honorable Mention Award for a series of her stunning nature photography, which is featured in Fiscal Services beautifully renovated space in Building 8 at IVC. Congratulations, Shook!
