

- Face coverings are required when employees and students are in this room. Face coverings are required when in the vicinity of others. Face coverings are not shared.
- Employees take reasonable measures to communicate with students and the public that they should use face coverings.
- Employees and students are provided with all required protective equipment (i.e., face coverings) to be worn properly at all times.
 - Employees are provided with:
 - Surgical masks or N95 masks (faculty member's choice) for faculty, up to one per week of in-person instruction. Faculty who want N95 masks should ask the dean/director who will submit a SchoolDude request.
 - Face shields for faculty upon request, up to one per semester. Faculty should ask the dean/director who will submit a SchoolDude request.
 - Disposable gloves. Faculty will obtain gloves from the dean/director who will submit a SchoolDude request.
 - Students are provided with:
 - Surgical masks for students, up to one per week of in-person instruction. The College may substitute N95 masks at its discretion. Students will obtain masks in class.
 - N95 masks for nursing students, up to one per week of in-person instruction (unless more required for nursing/clinical course needs).
 - Disposable gloves. Faculty will obtain gloves for students from the dean/director who will submit a SchoolDude request.
- Employees and students may provide their own protective equipment provided that it is acceptable for COVID-19 prevention pursuant to current CDC guidance.
 - An acceptable face covering is one that: Fits snugly against the face, covers an individual's nose and mouth, and is secured under the chin.
 - These are a few examples of coverings that are **not acceptable**: Those with holes in the covering, including exhalation valves mesh or lace fabrics; those that cannot be secured under the chin, including bandanas and face shields (on their own); neck gaiters (also called multi-bands).
 - Face shields may be worn in addition to face coverings, but not in place of face coverings.

Cleaning and Disinfecting Protocols

- Thorough cleaning in high traffic areas is performed regularly by custodial staff. Classroom use calendar has been submitted to our department administration for coordination with custodial staff.

- Commonly used surfaces are frequently disinfected **before** in-person instruction as follows:
 - Items cleaned/sanitized by custodial staff include:
 - Door knobs
 - Door knobs for doors leading directly to outside, where applicable
 - Chair seat backs (where people grab their chair to pull it out from a desk)
 - Chair arm rests
 - Desk tops
 - Sink faucets
 - Paper towel dispenser handles/levers
 - Time permitting, regular custodial duties can be performed (i.e. high cleaning of AC vents, dusting, windows, cleaning chair adjustment levers, etc.)
 - Items cleaned/sanitized by Barbara Obata Gloistein and Logan Wood, instructors:
 - Any common materials or tools to be distributed for the session's lab work will be cleaned before class by the instructor using the distributed sanitization equipment.
- All shared equipment and touchable surfaces are cleaned and sanitized between each use **during** in-person instruction as follows specifically for this room:
 - Items cleaned/sanitized by the student include: slab roller, bats glaze equipment, bat pads.
 - Instructions for items that are cleaned/sanitized by students will be written and posted at each station.
- Room entrances and exits are equipped with proper sanitation products. Products used in this room include:
 - One spray bottle containing Waxie # 730 HP Disinfectant Cleaner, a hydrogen peroxide-based disinfectant

- Classes with doors directly to the outside may be accessed through such doors or through other *active* doors. Instructors will provide students with maps showing the location of external doors. Such doors may be propped open during class.
- Hands-free devices are available, including no-touch trash cans, pull-out alcohol wipes.
- Scheduled classes have been staggered with instructional use hours modified to provide adequate time for regular, thorough cleaning, product stocking, or other measures.
- Use of common areas has been designated to include sign-up.
- Assigned seating and assigned sinks marked off. Limited capacity areas have been marked off, and require following a documented sign up process.

Physical Distancing Guidelines to Keep People at Least Six Feet Apart

- Classroom desk and station locations have been modified to ensure that individuals are able to remain at least six feet apart.
- All desks or individual workstations are separated by at least six feet, or employees and students otherwise maintain six feet of distance if workspace is limited.
- Tape or other markings have been placed at least six feet apart in areas where lines form with signs directing individuals to use the markings to maintain distance.
- Work areas have been marked off at more than 6 ft social distancing. --attach Room Layout PDF

Notification of COVID-19 Positive Case at this Room

- The College's SPP outlines standard protocols for all reports of positive cases, regardless of room.

Training

Employees have been trained on the following topics:

- Information from the [Centers for Disease Control and Prevention](#) (CDC) on COVID-19, how to prevent it from spreading, and which underlying health conditions may make individuals more susceptible to contracting the virus.
- Self-screening at home, including temperature and/or symptom checks using CDC guidelines.
- The importance of not coming to work if employees have a frequent cough, fever, difficulty breathing, chills, muscle pain, headache, sore throat, recent loss of taste or smell, or if they or someone they live with have been diagnosed with COVID-19.
- The importance of seeking medical attention if an employees' symptoms become severe, including persistent pain or pressure in the chest, confusion, or bluish lips or face. Updates and further details are available on CDC's webpage.
- The importance of frequent handwashing with soap and water, including scrubbing with soap for 20 seconds (or using hand sanitizer with at least 60% ethanol or 70% isopropanol when employees cannot get to a sink or handwashing station, per CDC guidelines).
- Manufacturer's directions and Cal/OSHA requirements for safe use of personal hygiene and cleaning products.
- The importance of physical distancing, both at work and off work time (see Physical Distancing section above).
- Proper use of face coverings, including:
 - Face coverings do not protect the wearer and are not personal protective equipment (PPE).
 - Face coverings can help protect people near the wearer, but do not replace the need for physical distancing and frequent handwashing.
 - The importance of washing and/or sanitizing hands before and after using or adjusting face coverings.
 - Avoid touching eyes, nose, and mouth.
 - Face coverings to be washed after each shift.

Compliance and Documentation

- This room is regularly inspected for compliance with this RPP and the larger College-wide Site-Specific Protection Plan (SPP) and any deficiencies are documented and corrected.

Note: Additional capacity in this space is available with the addition of more tables. Ensure placement of tables allows for 6' minimum between seats.
