Help prevent the spread of respiratory diseases like COVID-19. Avoid entering or using the facility if you have COVID-19 symptoms. Do not shake hands or engage in any unnecessary physical contact.

- Stay at least 6 feet (about 2 arms’ length) from other people.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash and wash your hands.
- When in public, wear a cloth face covering over your nose and mouth.
- Do not touch your eyes, nose, and mouth.
- Clean and disinfect frequently touched objects and surfaces.
- Stay home when you are sick, except to get medical care.
- Wash your hands often with soap and water for at least 20 seconds.
