

## **As a College of Marin MESA student, I agree to...**

Actively participate in the MESA program by:

- studying in the MESA Center at least once a week
- attending at least two MESA sponsored workshops or events per semester
- meeting with my guidance counselor to review my class schedule at least once per semester and maintain an educational plan that facilitates transfer
- contacting one of the MESA staff or guidance counselors at the first signs of difficulty relating to classes, grades, home life, or finances
- taking advantage of MESA networking opportunities by meeting and studying with other students in study groups and interacting with instructors, administrators, and visitors

As a MESA student, I realize that I am joining not only a program dedicated to the improvement of my academic abilities, but I am also joining a support group to ensure the success of my future endeavors

## **The MESA program staff agree to...**

- treat you as a member of the MESA family, including caring about your personal growth/well-being and academic success
- maintain the MESA Center and resources to provide you with individual and group study
- provide you with academic and professional enrichment opportunities including workshops, field trips, counseling, information on scholarships, leads on job internships, and other opportunities

**Meeting the above obligations will help us to ensure your successful transfer to a four-year university!**
