Academic Center Last Major Measure C Project

Transforming Our Campuses to Transform Lives

- Possible, in part, through the modernization and replacement of facilities at both campuses
- Comprehensive assessment of all facilities at both campuses in 2014
- Still have buildings over 40 years old
- One building is 80 years old
- Facilities role in enabling COM to effectively prepare students

2014 Facilities Assessment Results

- Identified \$265 million in need
- Board of Trustees considering new facilities bond election
- June 2016 ballot

Why Consider a New Facilities Bond?

- Ensure current and future student access to 21st century teaching and learning space
- Support current and future curricular and program offerings
- Accommodate enrollment growth
- Facilities compliant with all fire, life, safety codes, and standards
- Meet District sustainability standards
- Maintain instructional equipment and technology and replace as needed
- Maintain District facilities in a manner that maximizes operational efficiencies and longevity of spaces that support student learning and success

Thank you for your continued support of COM!
